GOVERNMENT OF BOMBAY.

Public Works Department.

Resolution No. 360/36.

Bombay Castle, 6th July 1936.

Letter No. G. III-Eng./332, dated the 1st May 1936, from the Accountant General, Bombay, as under:-

"I have the honour to invite a reference to Rule 4(iv) of the Appendix 16 of the Bombay Public Works Department Manual, 1929 (page 338), as substituted by correction slip No. 501, dated 2nd July 1934, on the subject quoted above, and to suggest that the orders contained in paragraph 2(c) of Government Resolution, Public Works Department, No. 6341/27, dated 20th March 1933, and paragraph 2 of Government Memorandum, Public Works Department, No.6296/27-E, dated 9th August 1933, may please be incorporated in the Appendix 16 quoted above.

"2. Incidentally, it may be mentioned that in respect of journeys within the radius of five miles, officers can claim actual expenses only under the rules. It would however appear equitable if Government stipulate in such cases that the amount of travelling allowance recoverable from the party concerned should not, in the case of an officer drawing permanent travelling allowance, be less than the amount of proportionate permanent travelling allowance for the period occupied by his duties on behalf of that party.

"3. If the above suggestions are accepted by Government the following correction slip may please be issued to the Bombay Public Works Department Manual:-

Add the following at the end of Rule 4 (iv) of the Appendix 16 of the Bombay Public Works Department Manual as substituted by Correction Slip No. 501, dated 2nd July 1934:

'If....

'If the officer is in receipt of permanent travelling allowance, the travelling allowance, if payable to him, should be reduced by proportionate permanent travelling allowance, The travelling allowance recoverable from the party concerned should however be calculated as if the officer is not in receipt of permanent travelling allowance, subject to the condition that the amount so calculated is not less than the amount of proportionate permanent travelling allowance for the period covered by the duty on behalf of the Indian State, Railway Company or private body.'"

Resolution.- Government are pleased to notify the following rules regarding the payment of travelling allowance to Public Works Department officers undertaking private work on behalf of Indian States, Railway Companies or other private bodies or institutions:-

(i) In respect of journeys performed within a radius of five miles, the amount of travelling allowance recoverable from the party concerned should not, in the case of an officer drawing permanent travelling allowance, be less than the amount of the proportionate permanent travelling allowance that would be due to the officer in respect of the period occupied by the duties carried out by him on behalf of that party;

(ii) If the office is in receipt of permanent travelling allowance, the amount of the travelling allowance on account of the duties performed for the private body, if payable to him, should be reduced by the amount of the proportionate permanent travelling allowance that would be due to the officer in respect of the period occupied by the duties performed by him on behalf of the party concerned.

2. The following amendment should be carried out in the Bombay Public Works Department Manual:-

Page 338 - Appendix 16, Rule 4(iv) as substituted by Correction Slip No. 501, dated 2nd July 1934 -

Add the following at the end of this rule -

"If the officer is in receipt of permanent travelling allowance ....

owance, the travelling allowance on account of the work carried out for the party concerned, if payable to him, should be reduced by the amount of the proportionate permanent travelling allowance that would be due to the officer in respect of the period occupied by the duties performed by him on behalf of the party concerned. The travelling allowance recoverable from the party concerned should, however, be calculated as if the officer is not in receipt of permanent travelling allowance, subject to the condition that the amount so calculated should not be less than the amount of proportionate permanent travelling allowance that would be due to the officer in respect of the period covered by the duty performed on behalf of the Indian State, Railway Company or private body."

By order of the Governor in Council and of the Government of Bombay, (Transferred Departments),

(J.R.PHILLIPS,)

Deputy Secretary to Government.

Government of Bombay.
Public Works Department.

Circular Memorandum No. 360/36.
Bombay Castle, 14th February 1941.

GOVERNMENT CIRCULAR MEMORANDUM.

Government has had under consideration the question of distribution of fees paid by private parties for work done on their behalf by Government servants under the orders of the competent authority. On careful consideration of the question Government has decided that existing orders which prescribe a share of not less than half the fees to Government need not be disturbed. Government is accordingly pleased to cancel the orders issued in Government Circular Memorandum No. 3019/36, dated the 7th March 1939, regarding the distribution of the fees recovered for outside work done by officers and subordinates of the Public Works Department and to direct that those concerned should be paid such share of the fees as is admissible to them under the existing rules contained in Appendix I to the Bombay Public Works Department Manual, Volume II.

2. Fees which have been credited to Government in view of the orders issued in Government Circular Memorandum No.3019/36 dated the 7th March 1939, should now be distributed in accordance with these orders.

By order of the Governor of Bombay,

(R. H. HAMMETT),
Deputy Secretary to Government.
